At Each Other's Throats

by
Jane

LIKE THIS PLEASE.

#1

The word 'burn lot', reassures me that they will take care of my wild sideburns.
In other words, this shop has knowledge on sideburns and will suit his sense on the core of it!

#2

I'm planning to just trim a little off the top. Cut it short, but long. Fluidy but tidy, while keeping my style and making me look fair in size
Oh, and please save my sideburns.
